

# GRASVENOR NEWS

## Welcome back

Hope you all had a good half term week. School is reopen for the key worker provision. Over the half term the risk assessment was posted onto the website for consultation and has now closed. Thank you to those that made comments on the risk assessment.

All the comments are being looked at and next week the final plan and a questionnaire about the reopening of School for Reception and Year One children will be sent out. Please look out for the questionnaire and make sure that you reply to it.

## Government Advice

Not a lot has changed with the Government advice. Below is the paragraph about attendance at School that maybe useful when you are deciding if you will be sending your child to school when we reopen.

### 6.1 Is attendance compulsory?

Eligible children - including priority groups - are strongly encouraged to attend their educational setting, unless they are self-isolating or they are clinically vulnerable.

No one with symptoms should attend a setting for any reason. If someone in their household is extremely clinically vulnerable, children should only attend if stringent social distancing can be adhered to, and the child is able to understand and follow those instructions.

Families should notify their school as normal if their child is unable to attend so that staff can explore the reason with them and address barriers together.

Parents will not be fined for non-attendance at this time.

Yesterday it was announced that if you travel by Public Transport it will be compulsory to wear a face covering from 15th June. If you do have to travel by public transport to get to School this is worth remembering.

## Postcard Praise
