Christmas Production

There has been lots of rehearsing this week ready for the two performances next week. Please remember to send in a top the colour of the house that they are in on Monday if you haven't already done so. The production is in the afternoon at 2 pm on Thursday 13th December and again on Friday 14th at 9.15 am. Entrance will be through the back door to the hall around the back of the building (like normal Friday assemblies).

Evernote

We understand that there are still people experiencing problems accessing the Evernote Work Chat. After chatting to Evernote they have suggested the following:- 1. Using a computer log into your account and go to **Evernote Account Settings**. 2. Go to **Account Summary** then **Evernote Web** then **Go back to the current version**. After those steps go back to your notes and click on 'Work chat' and try to respond to the chats from there still using a computer.
