

September 2021

A Warm Welcome,

I feel very privileged to be the new headteacher at Grasvenor Avenue Infant School this year and I am proud to welcome you to our website. We hope you find this website helpful whether your child already attends Grasvenor or if you are considering enrolling them.

At Grasvenor Avenue Infant School we aim to provide a happy, caring, safe and secure environment for all of our pupils. We offer a nurturing and highly supportive atmosphere and we believe that each child is unique. Our staff team work hard to support each child's individual needs. We believe in strong parent partnerships in order for our children to become independent and curious learners and be fully equipped for the next stage in their education.

Our priority is to ensure that our children have an excellent start to their education and are provided with an exciting curriculum in order to reach their full potential and achieve the highest standards possible. We have a strong believe in practical and purposeful curriculum, we believe that children learn best when they are provided with a range of hands on activities that stimulate their curiosity and enjoyment.

At Grasvenor we encourage every child 'To be the best that they can be'. Our ethos centres around six key values which are;

*Kindness,
Unity,
Honesty,
Resilience,
Respect,
Courage*

This year we will continue to work closely with parents and provide workshops and regular meetings to help you to support your children's learning at home. We will also provide many opportunities for us to celebrate our children's wonderful achievements together.

I hope that this website provides you with a range of information about the school. If you require any further information, please do not hesitate to contact the school office.

I look forward to meeting you.
